

NSA Migration to Prod March 2011 Release Notes

Version 03.02.08

1) **NSARPT NSA131 and 132 Seedling Purchase and Sales contracts:**

-updated with HST instead of PST and GST

2) **NSA352 Purchase/Sale:**

-the user does not have access to enter data on this screen without first accepting surplus seedlings on the Surplus Maintenance screen and using the 'Build Contract' button

-the log on userid must be authorized to purchase or sell seedlings on behalf of the client. The 'authorized userid' will default and will print as the Grantor or Grantee representative. This is for followup purposes. If you get the following error message:

- *You do not have permission to Authorize contracts for this client. If user needs to be authorized to sign seedling purchase/sale contracts please email FORHFEP.NurseryHelp@gov.bc.ca or *NurseryHelp*. To easily send a note to NurseryHelp, click on the word '**Feedback**' on the disclaimer line at the bottom of the screen.*

3) **NSA205/208: Inventory Maintenance:** corrected bugs in selection criteria, and others

4) Added new tab of **Cutblock** with connection to view Cengea tables ie.

NSA652 Project/Cutblock Search

NSA653 Cutblock Viewer

NSA701 Allocation by Request Key – to view suitable blocks where selected request key can be planted

NSA700 Allocation by Cut Block – to view request keys suitable for planting on selected cut block

NSA650/651 Payment Verification – to verify planting payment/print certificate
