

Range Management in BC infolip brochure Errata March 2006

Please note the following corrections to the original publication:

Page 5 – Objectives and Required Practices: Fish

Bottom of page under 'Range Developments: Current wording "Ensure that such developments are approved." Should say, "Ensure that such developments are approved **and maintained.**"

Page 8 Other Legislation Affecting Range

Under "*Drinking Water Protection Act*," the original version says "Ministry of Environment." Should say, "**Ministry of Health.**"

Page 8 *Wildlife Act*: currently reads "... establishes wildlife habitat areas" should read "establishes wildlife **management** areas."

Page 8 *Species at Risk Act* currently reads Canadian Wildlife Service (CWS). Should say, "**Administered by several Ministries.**"
