Attention: All licensee's

Parking Lot Issue: *Stemmed from an all Licensee meeting on March 13, 2007 regarding RESULTS – Auto generated Opening Ids.*

ISSUE:

HOW WILL LICENCEES BE ABLE TO SUBMIT SP AND STOCKING STANDARDS INTO RESULTS?

SOLUTION:

THE LICENSEE SUBMITS AN OPENING DEFINITION IN RESULTS AND THIS CREATES AN OPENING IN RESULTS. MAPSHEET OPENING NUMBER IS NOT NECESSARY.

THE OPENING DEFINITION ALSO INCLUDES SPATIAL (SU_s) AND STOCKING STANDARDS

FOR THIS TO HAPPEN THERE MUST BE A MATCHING TENURE IN FTA (APPROVED CP).

Yours truly,

Lindsay Scott
Geomatics Technician
Ministry of Forests and Range
