Dear Coleen and John Marlow:

Your Woodlot Licence Plan (WLP) submission of October 16, 2006, and as amended March 19, 2007, for Woodlot Licence W1611 for the years 2007 to 2017 have now been fully reviewed.

Determination:

I am satisfied that the plan has been prepared and submitted in accordance with Section 13 of the *Forest and Range Practices Act* (FRPA) and the regulations. Accordingly, as the statutory decision-maker authority under Section 16 of the FRPA, I hereby approve your WLP.

In the course of my review I have considered your proposal to include the north-east corner of the Gowlland Harbour block in the timber harvesting land base. I feel that your proposal for forest management for this area, detailed in the WLP, will protect and conserve the forest resource values for which this area was originally set aside. This Management Plan Amendment will be approved under a separate determination letter.

The Ministry of Forests and Range remains committed to a meaningful consultation process with First Nations who may assert traditional aboriginal interests in an area covered by this WLP. The particulars of this WLP have been communicated to the appropriate First Nations and their input has been encouraged. To date, I have not been advised of any site-specific aboriginal interests that may be infringed upon by the proposed development described in this WLP.

The term of this plan is March 27, 2007, to March 26, 2017. As of the date of this letter all future development taking place on Woodlot Licence W1611 must be done in accordance with the approved WLP. This letter forms an integral part of the WLP for Woodlot Licence W1611 and should be attached to it.

If you need clarification of any aspect of this determination please contact Jim Simpson at 250-286-9360.

Yours truly,
