

INTERIOR APPRAISAL DATA SHEET - SUPPLEMENT SOUTHERN INTERIOR FOREST REGION

AGREEMENT TO APPORTION A DEVELOPMENT COST ESTIMATE

This document constitutes an agreement to apportion part of the stumpage appraisal development cost estimate made for the cutting authorities listed below. The apportioned amounts are deemed to be current with the manual cost base, and will not be updated at the reappraisal date.

These amounts will be included in the appraisal of each cutting authority whenever the appraisal is made and in accordance with Ministry policy at the time.

Upon receipt of a completed document, it becomes an integral part of the appropriate approved Management and Working Plan and Development Plan.

This agreement is made for appraisal purposes only and in no way construes an obligation on behalf of either party to ensure that the estimated costs will equal the actual costs of construction, or that the costs will be "written off" in appraisals.
