**National  
Forest  
Week**  
Celebrating Our Forests

## Join A Free Guided Tour Of The Malaspina University-College Forest

Engage the forest practitioner in open discussions on forest resources management.

Learn how the forest is managed to preserve biodiversity, recreation, aesthetic, and wildlife values while producing a viable crop of ecologically suited timber.

To book your seat, call Barry Ostrand:  
250.753.3245 Local 2260
