

FFT UPDATE – February 4, 2008

PwC Human Capital Changes

PricewaterhouseCoopers (“PwC”) wishes to advise Forests for Tomorrow Program (“FFT”) Recipients and participants that as of April 1st, 2008, the following additions/changes have been made to our Investment Management team and their responsibilities under the program for 2008/09.

Steven Quinn will be the Senior Investment Manager for the FFT, assuming the responsibilities formerly under the direction of **Ian Brown**, including the approval of projects recommended by PwC’s Investment Managers. **Rob Wood** will be the Investment Manager for the Southern Interior Forest Region (“SIFR”), while **Dennis Sabourin** will be the Investment Manager for the Northern Interior Forest Region, including TSA 23 (100 Mile House), TSA 26 (Quesnel) and TSA 29 (Williams Lake).

Dennis has over twenty-six years experience in the forest industry and prior to joining PwC in 2007, he spent fifteen years as silviculture contract/project manager with Canfor and for BC Timber Sales (Peace Liard). Dennis may be reached by e-mail at dennis.b.sabourin@ca.pw.com. All three will work together over the next two months to ensure an orderly transition into the 2008/09 fiscal year. The managers are supported by **Victor Drohomirecki** and **Jennifer D’Aoust** in their roles as Associates to the program delivery.

Ian was appointed to the position of Associate Partner and is responsible for overseeing and directing PwC’s administration and delivery of the Forests for Tomorrow program, as well as the Forest Investment Account’s Land Base Investment Program and the Forest Science Program.

We look forward to working with the FFT Recipients for the remainder of this year and into the 2008/09 fiscal year.

Please call PwC’s Investment Management team at (604) 484-3490 if you have any questions or need further clarification in regards to any aspect of this update or the Forests for Tomorrow Program.
