

FORESTS FOR TOMORROW UPDATE, December 15th, 2009

This notice is a reminder to all recipients that under no circumstances should a project be started without PINES project approval. Doing so would be in non-compliance with Section 9.03 of the Ministry of Forests and Range (MFR) Recipient Agreement (RA).

Non-compliance with Section 9.3 of the MFR RA may result in non payment for any work, costs or expenses prior to approval, if approval is provided. Failure to comply with Section 9.03 is an Event of Default and may trigger application of additional remedies under Section 17.06. In addition to the breach of contract the recipient may be in violation of other requirements (e.g. unauthorized harvest).
