

FFT Update Sowing Fall 2009 – October 27, 2009 - REVISED

When sowing this fall for 2011 planting; all sowing requests should be entered as “PENDING” and not indicated as “APPROVED” until further notice. FFT staff will check the numbers sown near the December 1 cut-off date. If the number sown exceed the potential budget projections seedlings to be switched from “pending” to “approved” will be based on priorities that will be determined and communicated to the recipients. Recipients are also asked to record on the SPAR Key request in the “Client Reference” field which seedlings are sown for ITSL’ on the BCTS Sale Schedule, ITSL’s Pending, FLtC’s Sold, FLtC’s Pending, and others.

Please call your Investment Manager if you have any questions or need further clarification in regards to any aspect of this update.
