SILVICULTURE TRIAL FORM

TRIAL SUMMARY:

TITLE: RESEARCH TRIAL OF BRUSHING & WEEDING

OFFICER I/C: B. PATTERSON

LOCATION: C.P. 1, BLKS 1, 2 & 3, HANNA RIDGE (ICHvc1)

REGION/DISTRICT: PRINCE RUPERT/KALUM FOREST DISTRICT

OBJECTIVE: To determine the efficacy of initial and as required subsequent manual brushing activities on the growth and the development of both existing and newly planted seedlings and to monitor the re-growth/sprouting of the existing brush species over a minimum period of 5 years; to monitor the level of vole activity/damage on seedlings where brushing activities have reduced vegetative cover.

SCHEDULED ASSESSMENT/TREATMENT: Trial to be established August, 1993
