Re: Re-designation of Emergency Management Units

Pursuant to Section 3 of B.C. Reg. 236/2001, I hereby re-designate *emergency management units (EMU's)* as depicted on the map labelled "*Emergency Bark Beetle Management Area (EBBMA) Map*", dated August 1, 2003 and posted at:

http://www.for.gov.bc.ca/hfp/bark_beetles/index.htm

The two areas of the province encircled by the orange bands are included within the *EBBMA EMU's* contained therein are "*Aggressive*" and "*Sanitation*" but, for the purposes of this map, "*Containment*" replaces "*Sanitation*."

The next revision will be this fall once new aerial and ground survey information becomes available.

R. G. Clark
