M0015 - Performance Measure Description			Fiscal Year:	2005/2006	Business Area	ENG	
Business Area Source: Engineering							
Referenc	Perf Meas Name	Description	Measure Type	Measure Units	Calculation Type	Effective Date	Expiry Date
P059	ENGR - Key engineering activities substantially achieved	Percent of key engineering activities substantially achieved. prorated measure of overall performance in achieving key engineering activities.Measured Annually -	Corporate Performance Measure	Percent	Percent Based	01/04/2005	31/03/2006
P060	ENGR - FSRs open for public access	Percent of FSRs (kms) maintained by the District open for public access.Measure of FSRs open for	Corporate Performance Measure	Percent	Percent Based	01/04/2005	31/03/2006
P061	ENGR - Reduction or increase to FSR road network	Percent reduction or increase to the Forest Service road network.Measured Annually - Reported by March 31st	Corporate Performance Measure	Percent	Percent Based	01/04/2005	31/03/2006
P062	ENGR- Spatial Data Intergrity Eval	# of districts completing evaluation and reporting on the intergrity of spatial data utilized within FRMA on all FSRs	Internal Performance Measure	Number	Numeric Based	01/04/2005	31/03/2006
P063	ENGR - Non-Industrial FSR Inspection (non C&E)	Percent of Measured Annually - Reported by March 31st each year. required "DM responsible (non-industrial) FSR" documented non-C&E inspections.Measured Annually - Reported by March 31st each year.	Internal Performance Measure	Kilometers	Percent Based	01/04/2005	31/03/2006
P064	ENGR - Effectiveness Evaluations (RTEB)	# of effectiveness evaluations of engineering policy and practices.# evaluations completed. Measured Annually - Reported by March 31st	Internal Performance Measure	Number	Numeric Based	01/04/2005	31/03/2006
P065	ENGR - R/W Acquisition (RTEB)	Percent acquisition of funded right-of-ways. Measured Annually - Reported by March 31st each year.	Internal Performance Measure	Percent	Percent Based	01/04/2005	31/03/2006
