

Working Roundtable on Forestry December 1, 2008 Meeting Summary

At the tenth meeting of the Working Roundtable on Forestry, the Working Roundtable discussed the contents of its report to Government, including a detailed review of draft recommendations and discussion of background information that the Working Roundtable would like included in its report.

The Working Roundtable approved the summary of its November 24th meeting.

The group reviewed the schedule for completing the report and agreed to meet again on December 12th.
