Dear (see distribution list)
(followed by original)
(see e-mail distribution list)

This letter is to inform you that for the purposes of section 8 of the Order Establishing Provincial Non-Spatial Old Growth Objectives, the following landscape units within the Ministry of Sustainable Resource Management’s Coast Region (Nanaimo office) have identified draft Old Growth Management Areas (OGMAs). This identification is only for the purposes of preparing results or strategies in a Forest Stewardship Plan related to the Old Growth Order.

Please note that this is not the legal establishment of these OGMAs. First Nations consultation is still to be completed on these units as well as public review and comment.

Should you have any questions regarding this identification for the purposes of section 8 of the Old Growth Order please call Ron Cotton at 250-751-7258.
