Notice is given under Section 6(1) and 6(2)(b) of the Forest Service Road Use Regulation that the Clear Creek Forest Service Road is hereby closed effective immediately until further notice.

Forest Service Road Use Regulation:

Traffic control devices

6 (1) A district manager or an official may cause a traffic control device to be erected on a forest service road if, in the district manager's opinion, restrictions on the use of the road or the traffic on the road are required to achieve the purposes of section 4 (b) and (c) of the *Ministry of Forests Act*.

(2) Without limiting the generality of subsection (1), a traffic control device may be used in any of the following ways:

- (a) to close the road to all traffic or to specified categories or sizes of motor vehicles including those not engaged in commercial activities;
- (b) to close the road totally, or for a specified period of time;

This action is in response to the current fire V12270 in the proximity of Clear Creek which poses a significant threat to road users on the Clear Creek Forest Service Road.

Thank- you for your cooperation during this time.
