

ENVIRONMENTAL POLICY

The British Columbia Ministry of Forests B C Timber Sales Program (BCTS) manages and administers timber harvesting and related forest management activities on BCTS timber sale licences and related tenures sold on Crown forestland throughout British Columbia.

It is the policy of the BCTS to:

Comply with all relevant environmental legislation, regulations and the other requirements to which we subscribe.

Strive for excellence in forest management by continually improving the performance of resource management activities and practices.

Maintain a framework that sets and reviews environmental objectives and targets, and promotes the prevention of pollution associated with BCTS forestry activities.

Monitor and evaluate key BCTS forestry operations.

Communicate BCTS business activities and policies to all staff and make them available to the public.
