

Table C-26: Summary of Managed/Unmanaged Sites and Trails on Public Forest Lands in 2002/2003, by Forest Region (1)

REGION	Recreation Sites		Recreation Trails	
	# managed	# unmanaged	# managed	# unmanaged
Cariboo	33	131	18	17
Kamloops	83	329	27	50
Nelson	128	133	10	151
Prince George	148	53	33	40
Prince Rupert	53	42	24	14
Vancouver	163	22	62	47
TOTALS	608	710	174	319

(1) Managed sites or trails receive at least a minimum amount of service to maintain and clean the facilities and infrastructure, and to address public safety and environmental concerns.

Unmanaged sites or trails do not receive any scheduled service or maintenance. Regional variation in the number of managed or unmanaged sites and trails may be due to budget allocations, the cost of local contractors, availability of ministry staff, existing agreements, or other management techniques.
