

RANGE IMPROVEMENT SYSTEM — IMPROVEMENT AUTHORIZATION

DATE:

FILE NO.:

Dear

You are hereby authorized to construct _____ on Crown range in the location shown in red on the attached map dated _____, 19____. Maintenance associated with this improvement shall be at your own expense.

(IMPROVEMENT NAME)

The improvement is to be constructed in accordance with the following specifications and/or attached schedules:

This authority is valid until _____, 19____. Please advise the District Manager for _____ District at the above address when this improvement is completed. If the improvement is not completed by the expiry date, you must reapply for authority. No debris is to be created or hazardous situation allowed to develop. When the improvement ceases to be used or maintained for the intended purpose, the approval will be withdrawn and the remains of the works shall be cleaned up at your own expense.

The granting of the above authority does not affect the application of the land or mining laws of the Province of British Columbia, and does not guarantee you the exclusive use of Crown range with which this improvement is associated.

Yours truly,

District Manager

cc: Regional Range Officer
