**PROVINCIAL CRUISE PLAN
AND MAP CHECK LIST**

| A. TENURE and CRUISING AGENCY INFORMATION | YES | NO | N/A |
|---|------------|-----------|------------|
| 1. Licensee's name: | | | |
| 2. Tenure and Cutting Permit & Block numbers: | | | |
| 3. Forest Region & District: | | | |
| 4. Name(s) of persons who completed the cruise fieldwork: | | | |
| 5. Name(s) of persons who completed the cruise plan and map: | | | |
| B. AREA INFORMATION | | | |
| 6. Cutting Boundaries and Block Net Areas: | | | |
| 7. Timber Type Net Areas: | | | |
| 8. Harvesting Method & Net Areas for Heli-Logging: | | | |
| 9. Non-Forest Type & Forest Reserve Areas: | | | |
| C. CRUISE PLAN MAP | | | |
| 10. Tenure information adequate: | | | |
| 11. Acceptable map scale (1:5 000; 1:10 000): | | | |
| 12. Timber type lines and identifier. A forest cover map included for the cruise and surrounding area if PI is present: | | | |
| 13. Minimum number of plots per timber type polygon: | | | |
| 14. Sufficient number of plots per type or 1.0 plots per hectare and SE waived: | | | |
| 15. Maximum grid - 200m if cruise < 250 ha or 250m if cruise ≥ 250 ha: | | | |
| 16. Prism and/or fixed area plot size consistent in each type? | | | |
| 17. Cut block boundaries and forest types clearly delineated on map? | | | |
| 18. Point of Commencement established: | | | |
| 19. Strips tied to cutblock boundaries (unless GPS is used): | | | |
| 20. Measure & Count Plots identified and numbered: | | | |
| 21. Legal Survey Features (if they affect sampling): | | | |
| 22. Portions of Cutting Boundaries that will be Stubbed (if applicable): | | | |
| 23. Existing & Proposed Roads identified: | | | |

Note: The cruise plan map may contain all of the information in lieu of using the form too.
