

ART Sub Regional Plan  
November 23rd, 2000

The Interagency Planning Team (IPT) and the Anahim Round Table (ART) hereby provide the Anahim Round Table Subregional Plan to IAMC and RRB as required in the Terms of Reference. This plan represents a balance arrived at by the Anahim Round Table community group as well as by the agency participants on the IPT. The IPT and the ART recommends that IAMC and RRB accept and endorse this plan as an option that meets the requirements of the CCLUP.

In providing this recommendation the IPT notes that if any further analysis or information indicates that any part of this report is not consistent with the Higher Level Plan targets of the CCLUP, the recommended option in this report will be revisited.
